

## CBM has been recognized as a Top 100 Independent Solutions Provider in the North East Region!

Dear Community Partner,

You can eliminate separate leases and separate purchases for hardware, toner, and maintenance/service plans. [Email](#) or call 1-800-452-COPY (2679) about an ALL INCLUSIVE special program that will both **GUARANTEE YOU SAVINGS** and simplify your operation by including your copier, printer, fax, scanner, supplies, and many other features into one plan, one order, and one bill. Yes, that means the newest technology solutions from one system to multiple systems, toners, and maintenance/service plans in one monthly payment.

Give CBM an opportunity and see the difference!

Sincerely,  
Don Felix, President
